HVA BASEBALL

A MESSAGE FROM
COACH KIRK RENEGAR

The Hardin Valley Academy Baseball Program works as a collaborative effort among players, coaches, parents, teachers, and HVA administration in an effort to maximize each student-athlete's baseball potential while fulfilling the mission statement set forth for Hardin Valley Academy.

The Hardin Valley Academy Baseball Program is dedicated to developing well rounded student-athletes to ensure their place as beneficial members of our community. We strive to accomplish this task by providing a year-round, structured athletic program with an emphasis on academic achievement. In addition to the academic and athletic expectations placed on each student-athlete, the importance of serving their community is promoted throughout the year. Each student-athlete is encouraged to participate in a variety of community service opportunities while engaging in a course of study which is designed to lead them to higher education opportunities.

We set these values as the foundation for everything we do in our program, and we endeavor to provide a program that is not only a source of pride for our school but for the Hardin Valley community. We sincerely appreciate your support of the Hardin Valley Academy Baseball Program through your participation in the 2010 HVA Diamond Golf Tournament. The funds generated through this event will have a serious impact on the development of the program, and we are very thankful.
